Dear Mr. Reilly:

At the present time you have a 30 year Harbor Area Lease with the Port of Seattle for an area in Lake Washington. The 30 year term will end on December 31, 1971 and your lease will expire at that time.

I would appreciate hearing from you at your earliest convenience whether or not you wish to re-lease this area, so that we may do the necessary survey work to have the area valued at current market value and prepare the new document.

Thank you for your attention to this matter.

Sincerely,

WADE THOMPSON  
Assistant Manager  
Property Management
